Thermo Scientific Water Systems

BEST IN CLASS

quality, reliability & value

Barnstead NANOpure® High-Purity Water System

- Exceeds the requirements of your most demanding applications.
- Simple, effective maintenance with one-connection cartridge pack and automatic sanitization feature.
- Lowest operating cost of any comparable unit.

Barnstead TII Type II Water System

- One complete system combines pretreatment, reverse osmosis, deionization and UV oxidation.
- One-connection cartridge pack – installing and changing cartridges has never been easier.
- Easy-to-read LCD display allows the user to monitor product purity, feed water and RO purity, as well as system pressure.

1 **Buy a Barnstead NANOpure Water System and receive a FREE cartridge pack** *($637 value)*

2 **Buy a Barnstead Diamond TII Water System and receive a FREE startup kit** *($528 value)*

3 **Buy both systems and also receive a FREE remote dispenser** *($652 value)*

Your water – where you need it, when you need it.
